

## Relationships between GOD, Jesus, the Holy Spirit, and Us

God the father, Jesus, and the Holy Spirit are all names for the one and only God that created and controls everything in the infinite universe. The following red letter words from Jesus tell us how we should worship and follow the directions of God. Most are from Jesus's final teaching to his disciples, just before he was taken away to be crucified.

John 14:9 Anyone who has seen me has seen the father. How can you say, "show us the Father"? 10 Don't you believe that I am in the Father, and that the Father is in me? The words I say to you are not just my own, Rather, it is the Father, living in me, who is doing his work. 11 Believe me when I say that I am in the Father and the Father is in me; Or at least believe on the evidence of the miracles themselves.

John 14:15 "If you love me, you will obey what I command. 16 And I will ask the Father and he will give you another Counselor to be with you forever – 17 the Spirit of truth. The world cannot accept him, because it neither sees him nor knows him. But you know him, for he lives with you and will be in you. 16 I will not leave you as orphans; I will come to you. 19 Before long, the world will not see me anymore but you will see me. Because I live, in you and you live in me.

John 14: 23 Jesus replied, "Anyone who loves me will obey my teaching. My Father will love them, and we will come to them and make our home with them. 24 Anyone who does not love me will not obey my teaching. These words you hear are not my own; they belong to the Father who sent me.

John 14:10 The words I say to you are not just my own, Rather, it is the Father, living in me, + John 5:24 "Very truly I tell you, whoever hears my word and believes him who sent me has eternal life and will not be judged but has crossed over from death to life."

When Jesus first sent out the 12 in Matthew 10:19-20, Jesus said, "When they deliver you over, do not be anxious how you are to speak or what you are to say, for what you are to say will be given to you in that hour. For it is not you who speak, but the Spirit of your Father speaking through you."

Luke 17:20 Once, having been asked by the Pharisees when the kingdom of God would come, Jesus replied "the kingdom of God does not come with your careful observation, 21. nor will people say, "here it is," or "There it is," because the kingdom of God is within you."

It is interesting to me that some Christians are saying eternal life is exclusive to those that believe in Jesus and have "Jesus in their heart". Having a person that lived and died over 2,000 years ago even if he was totally God and totally human in one's blood pump is clearly confusing to anyone who understands human anatomy and workings of the human brain/mind. The human heart is totally controlled by electrical signals from the brain and only returns pain signals back to the brain. I also heard two Catholic women talking at a wedding that didn't know I was on the other side of a panel say "don't these people know that only Catholics go to heaven". Many if not most Christian pastors preach that "Jesus is the only way to heaven" in spite of Jesus' own words

I believe that God through the voice of Jesus and the rest of the Bible told us that God's Holy Spirit is constantly available for two-way communications with all people that have faith and believe in the three-in-one creative Holy Spirit of GOD. God's people that understand, have faith, and believe this can constantly communicate with God, something that we may never understand. Psychologist and

philosophers call it through our “sub-conscious mind”. When we listen and follow God’s constant directions, God will protect us, heal us, and take care of us, and will reward us with “the peace that passes all understanding”. God will give us all kinds of negative feedback (worry, grief, bad mental and physical health, body-injury, ...) when we sin and do things that may give us pleasure but harm other people or God’s other creations.

The meaning behind the words that the Holy Spirit of God spoke thru Jesus are also in the old testament (in different language so they would be understood by the people of that day). It is clear to me that God came to earth as the human Jesus because all the Jewish priest and kings were declaring that only circumcised Jews that followed their 600+ laws could have everlasting life with God”. God came as Jesus to convince all people that God would love and be with any of us before and after death to guide us, protect us, and speak to others through us. God’s Holy Spirit has created everything and is still creating. God is using those that listen to God’s directions to do the creating.

**Luke 12:10 Everyone who speaks a word against the son of man will be forgiven, but anyone who blasphemes against the Holy Spirit will not be forgiven.**

It is clearly blaspheme to say or believe that there is no God who created and controls the universe, it was all created with a gigantic accidental, “big bang”. Is it blaspheme to say that the Holy Spirit, or God the Father can not give eternal life, only Jesus can?

**John 8:28 Jesus said “I do nothing on my own but speak just what the Father has taught me. 29 The one who sent me is with me: he has not left me alone, for I always do what pleases him.”**

God through Jesus clearly tells us that eternal life is available to all that will believe, trust, and communicate with God’s Holy Spirit. God doesn’t require us, to be a circumcised Jew, be a Catholic, or even believe in Jesus for us to have eternal life in communion with the one God who created everything and is still creating.

God loves us, God’s Holy Spirit and eternal life are within us, and speaks thru us, The way God Spoke through Jesus, the profits, and after Jesus went back to the Father God, the Holy Spirit is within and speaks through all believers.

We should believe, accept, trust, and continually communicate with God that is in us. Like Jesus we should try to decide what would please God as we make each decisions and talk with others.
